

Spook Rock Farms Trifecta!

We exhibited our colored angora goats this past weekend at the New York State Sheep and Wool Festival at the Dutchess County Fairgrounds. Madeleine is our adult Angora, and Eloise and Esther are her kids.

- **Queen Esther:** 1st place, Colored Angora Goat kid class
- **Eloise:** 2nd place, Colored Angora Goat yearling class
- **Madeleine:** 1st place, Colored Angora Goat adult class

and

- New York State Sheep and Wool Festival **Grand Champion!**

Of course, if you felt the empty nest syndrome yourself, there were plenty of sheep available for sale. Each was cuter than the next, each had that 'take me home' look.

And of course, some couldn't resist doing just that. Here a family goes home with a sheep they bought at the Sheep Auction. Hard to see here, but she was cream colored with brown legs. The spot on her back is a painted number, her lot in the auction. I was very impressed with how calm and good mannered she was. She just walked alongside dad like it was Sunday in the park.
